

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

SEC. 112. *Hides and skins*.—No person will be allowed to dry, salt, or tan hides or skins, or to store the same, in any place in the Territory not first approved by the board of health or its agents.

Flies—Prevention of the Breeding of. (Reg. Bd. of H., Feb. 11, 1915.)

SEC. 113. No person, firm, or corporation shall suffer or permit or have upon their premises, whether owned, leased, or occupied by them, either one or more of the following insanitary fly-producing, disease-causing conditions, to wit:

- (1) Manure which is not securely protected from flies.
- (2) Any privy, vault, cesspool, sink, pit, or like place which is not securely protected from flies.
- (3) Garbage which is not securely protected from flies.
- (4) Vegetable waste, trash, litter, rags, or refuse of any kind, nature, or description in which flies may breed or multiply.

Mosquitoes—Prevention of the Breeding of. (Reg. Bd. of H., Feb. 11, 1915.)

SEC. 114. No person shall have, keep, maintain, or permit within the Territory of Hawaii any cistern, tank, well, or other receptacle of similar character, containing water in which mosquito larvæ breed, or any pond, pool, spring, fountain, or other body of water of similar character, in which mosquito larvæ breed, unless the same shall be kept constantly treated with a solution of copper or other chemical agent or constantly covered with kerosene or petroleum oil or other substance, so as effectually to prevent the breeding of mosquito larvæ in the water therein or thereof; or constantly kept free of vegetable growth and other obstructions, and stocked with mosquito-destroying fish; or constantly so screened with wire netting of at least 18 wires to the inch each way, or otherwise so covered as to prevent the ingress and egress of mosquitoes to and from the water therein or thereof.

SEC. 115. No person shall have, keep, maintain or permit on any land or premises owned or controlled by him within the Territory of Hawaii any can, pitcher, bowl, bottle, tub, bucket, barrel, trough, urn, water-closet, water-closet tank, basin, sink, trap, or other receptacle of similar character, containing water in which mosquito larvæ breed, unless the same shall be completely emptied and dried or cleansed daily, or constantly protected as prescribed in section 114 hereof.

SEC. 116. No person shall have, keep, maintain or permit on any land or premises owned or controlled by him within the Territory of Hawaii any gutter or drain or roof unless the same shall be kept thoroughly clean, and be so constructed or perforated that any water that may fall or be placed therein will immediately and completely drain off, or unless the same shall be constantly kept so screened, or otherwise covered, as to prevent the ingress or egress of mosquitoes to or from any water therein or thereon.

SEC. 117. No person shall have, keep, maintain or permit on any land or premises owned or controlled by him within the Territory of Hawaii any cesspool, privy vault, surface drain, street drain, catch basin, sewer, wash rack, excavation, or other place of similar character, containing liquid in which mosquito larvæ breed, unless the same shall be kept constantly treated, screened or covered as prescribed in section 114 hereof.

Vegetables—Growing and Sale of. (Reg. Bd. of H., Feb. 11, 1915.)

SEC. 120. *Growing and sale of vegetables*.—No vegetables shall be grown in the Territory of Hawaii by any person, firm or corporation, for sale for human consumption until a written permit for such purpose shall have been granted to such person, firm or corporation, by the Territorial board of health or its proper agent.

SEC. 121. It shall be unlawful to use human excreta, whether in liquid or solid form, as a fertilizer where vegetables are grown within the Territory of Hawaii for human consumption.
